

Term 3

CDC 301 and CDC 302

Tuesdays 6:30pm- 9:30pm

Thursdays 6:30pm- 9:30pm

Length of Term: 10 weeks

The third term requires the student to combine observational drawing skills gained in Term 1 with the knowledge gained in Term 2, while utilizing the same procedure learned in the first term. The subject matter, portrait and figure, is the most challenging to date. The term is 10 weeks long, and the student may advance to Year 2 after successful completion of a self portrait that satisfies the standards of the program.
